DELUXE STAINLESS STEEL POOL BLANKET ROLLER

The Sunline Above Ground Roller Deluxe model is a durable, sturdy, and modern above ground roller that reveals an appealing modular design.

It is a trouble free and lightweight system that is perfect for handling and storing your swimming pool cover. The Roller can easily be operated by anyone. It takes less than a minute or so to retract or withdraw the pool blanket from your pool.

Available in a neutral metallic colour it can be made to suit most sized pools from 1.5 metres up to 5 metres.

The Roller also features 100mm centre tube for strength. Durable design and long lasting components. An easy to use product that will offer years of trouble free service.
