

PURE MINERALS™

High quality pure magnesium crystals for use
in salt and mineral based pool systems.

MAGNESIUM

Perfect, magnesium-enriched pool water
with Pure Minerals Magnesium™

PURE MINERALS™ MAGNESIUM

Pure Minerals Magnesium™ is produced from the highest purity magnesium crystals and is designed to transform the swimming experience.

Converting your pool to a mineral-rich pool with Pure Minerals Magnesium™ is as simple as combining the crystals with your usual salt program.

MAGNESIUM

Water Feel

The magnesium found in Pure Minerals™ naturally enriches and transforms the water, creating a smooth and silky water feel.

High Clarity

Pure Minerals Magnesium™ acts as a natural flocculent, removing organic debris and impurities from the water, creating a crystal-clear pool.

Wellness

Absorbing Pure Minerals Magnesium™ from the water will leave your skin and body feeling rejuvenated and replenished.

System Safe

Pure Minerals™ works seamlessly with both salt and mineral based chlorinator systems and with all pumps and filters.

Easy to use with incredible results.

The table below can be used for Pure Minerals Magnesium™ maintenance dosages in systems with a target salinity of 4,000ppm. See product packaging for start-up dosage instructions.
